Tuesday 20th January 2015

To: Parents/Guardians of pupils from Junior Infants – First Class

Dear Parents/Guardians,

As part of our mid-year review of literacy and numeracy in the school we are reviewing usage of [Reading Eggs](#). As you know last September the school bought an annual subscription to Reading Eggs for all pupils in Infants and First Class at a cost of €750. Some pupils have got great use of the programme and others less so. I attach your child's login details in case they have been lost.

Any pupils not using Reading Eggs before the end of January will be deleted from the system and their places given to pupils who will use it. This will ensure the best value for money for the school.

Reading Eggs is a fantastic programme and I would certainly encourage you to avail of it if you have Internet access on a computer or laptop or through the free App for the [iPad and Android](#).

Sincerely,

James Roberts, Principal
