

## **Supervision Policy of Our Lady of Lourdes, N.S. Bunclody**

### Introduction

This policy applies to all staff and children during school hours, break times, and on all school related activities.

### Rationale

The rules for National Schools 121(4) and 124(1) obliges teachers to take all reasonable precautions to ensure the safety of pupils and to participate in supervising pupils when pupils are on the school premises during school time and during all school related activities.

Legislation such as the Health, Safety and Welfare at Work Act place a duty of care and accountability on schools that must be underpinned by a policy covering all possible eventualities.

### Relationship to the Characteristic Ethos of the School

This policy is in keeping with the school ethos of providing a safe and secure environment for learning for all pupils and the wider school community.

### Aims and Objectives

- To develop a framework that effectively ensures, as far as is practicable, the safety of children while at play on the yard or while engaged in school related activities
- To observe and monitor behavioural patterns outside the confines of the classroom
- To contribute to effective school management and comply with relevant legislation.

### School Procedures

- It is the policy of the school to supervise the schoolyard at all times during regular breaks i.e. 11:00am to 11:10am, 12:30pm to 12:50pm Teachers assume a duty of care at 8.50am. While the school gate opens at 8.30am and children are allowed access to the school yard as a matter of health and safety, the Board of Management informs parents that the school does not accept responsibility for pupils dropped off earlier than 8.40am. Teachers and the principal supervise for 20 minutes each morning as children assemble. The Principal and teachers supervise in the evening as children disperse. Children are taught and reminded on an ongoing basis about road safety and safe routines regarding arriving and leaving school.
- A rota for supervision of yards at playtime and lunchtime rota is drawn up by a designated teacher on the staff room notice board and teachers have a copy in their classroom.
- Rules of the school yard are reviewed and revised continually and communicated to children regularly. Children are encouraged to maintain good behaviour when the bell rings and when lining up. Classes are praised at Assembly for their efforts in maintaining good order in their line.
- Under the terms of the Haddington Road Agreement 2013 all teachers are required to take on supervision duties.
- If parents/teachers indicate a worry about a particular child on the yard all teachers rostered for yard duty are informed of the concern so that the concerns can be addressed satisfactorily
- Teachers on yard duty remain with the classes until the class teacher returns from break. Teachers taking a course day can swap supervision duties with a willing colleague and must inform the office accordingly. If a teacher is unexpectedly absent a volunteer colleague will assume his/her duties in a reciprocal arrangement
- Special Needs Assistants are on supervision duty during lunch breaks. While these Assistants provide individual supervision for children with special needs, they can act in an observing and reporting capacity, bringing instances of misbehaviour to the attention of the teacher on yard duty.

- There is at least one teacher supervising each play area in the yard.
- Children with injuries/complaints are dealt with directly by the teacher on yard duty. Children are not permitted to report directly to the staff room if there is an incident on the yard. All incidents are recorded daily by supervising teachers.
- First Aid is administered by the supervising teacher. If a child bumps their head a note is sent home to parents.
- All serious incidents are recorded in the Incidents Report Book
- If children remain uncollected after 2.35pm, the school always ensures that a duty of care is provided until a parent/guardian calls. The class teacher is responsible for their class. The teacher supervising on the gate will bring the child back into the school and contact their parents. The class teacher will organise supervision of the child until they are collected. Two adults will remain with the child.

#### Special Provisions
